Introduction

The names in this book are a Death Index and contain Obituary Information that was posted in the Rock Island, Illinois Argus newspapers during the years 1960 – 1964. All dates and spelling of names should be verified by the researcher. The date of death and names may vary and are reported as listed in the paper. An attempt was made to cross reference female names. After marriage some females used their maiden name for a middle name. Also, some married women's first names were not given in the obituary so she was listed by her husband's name. Be sure to check the variation in the spellings of surnames. We apologize for errors and omissions in this index.

Column heads are:

Last Name

First Name

Date of Death

Date of Obit (in Newspaper)

Also Known As: Used for married name for females when maiden name is in the Last Name column. Example –

Becker, Sandra (Carlson) 22 May 1961 23 May 1961 O

Carlson, Sandra 22 May 1961 23 May 1961 Becker O

Type: DN – Death Notice O – Obituary FN – Funeral Notice F – Funeral I – Inquest CJ – Coroner's Jury
