## Introduction

The names in this book are a Death Index and contain Obituary Information that was posted in the Rock Island, Illinois Argus newspapers during the years 1965 – 1969. All dates and spelling of names should be verified by the researcher. The date of death and names may vary and are reported as listed in the paper. An attempt was made to cross-reference female names. After marriage some females used their maiden name for a middle name. Also, some married women's first names were not given in the obituary so her husband's name listed her. Be sure to check the variation in the spellings of surnames. We apologize for errors and omissions in this index.

Column heads are:

**Last Name**

**First Name**

**Date of Death**

**Date of Obit** (in Newspaper)

**Also Known As:** Used for married name for females when maiden name is in the Last Name column.

Example:

Becker, Sandra (Carlson)	22 May 1961	23 May 1961		O
Carlson, Sandra	22 May 1961	23 May 1961	Becker	O

**Type:** DN – Death Notice   O - Obituary   FN – Funeral Notice   F – Funeral  
I – Inquest   CJ – Coroner's Jury

Thank you for all the work done by indexers and typists: Deb Van Sant, Liz Casillas, Jan Dunlap, Arlene Hudson, Shirley Plumb, Jean Wistedt, and Linda Walker.
